INTRODUCTION OF GUEST ARTIST

SPIRITUAL Jesus, Lay Your Head in the Window arr. Harold Smith

Jesus, lay your head in the window, hear some sinner pray.
Some pray all day, some pray all night, then lay their faith one side,
so, children when your heart is right, His ear is open wide.
You deaf, you dumb, you bridle tongue, He'll list'nin' ears supply.
Go loose the man and let 'im go, that he may prophesy.

SPIRITUAL Changed My Name arr. Tom Kendzia

I told Jesus it would be all right if he changed my name.
Jesus told me that the world would be against me if he changed my name...
Jesus told me I would have to work for justice if he changed my name...
but I told Jesus it would be all right if he changed my name.
